

A Day Out with Descendants Akaroa 16th/17th October 2021

As you all know by now French Fest has been postponed until Autumn next year with the date not yet confirmed. This decision is very understandable and we wish the French Fest committee well with their planning for next year.

In the meantime the Comte de Paris committee has become aware of people who had booked their accommodation still intending to come to Akaroa – either for the day or the weekend. In light of this the committee has decided to put a programme of activities together that people can opt into if they wish – with all activities related to either our early settler ancestors or descendants. There may be a few surprises along the way.

The programme is:

Day	Time	Activity	Cost	Comment
Saturday	10.15am	Akaroa Dolphins Harbour Cruise	15% discount	Waghorn family - Lelievre/de Malmanche descendants
Saturday	1pm	Old French Town Walking Tour	\$10 Akaroa Guided Walks	Lelievre/ de Malmanche descendant. Money to go towards the Memorial Entrance
Saturday	2.45pm	Akaroa Seal Colony Safar	\$80.00	Paul Lelievre
Saturday	7pm	Dinner at The Grand	Variety of costs for all budgets	Hotel established by Christian Jacob Waeckerle
Sunday	10am	Tree Planting at the Heritage Park		In honour of our late Patrons Janet Drury and Peter and Christine Tremewan
Sunday	11am – 2pm	Akaroa Lighthouse	\$5	
Sunday	2pm	Akaroa Cemeteries History Tour	\$5 + optional donation	Meet at the top of Onuku and Cemetery Rds. Money to go towards the Memorial Entrance and headstone restorations.
Extra option		Akaroa Museum		Always worth a visit.

These are suggestions for activities and all are optional of course. Some tours may have Covid restrictions depending on the levels at the time.

It would be very helpful if you could make your bookings asap – not money at this stage – so that we can plan and let the providers know numbers. We really do not have long to pull this together so your help is much appreciated.
